

Piano Donated to Hope & Light Charity: For many years the Club had two pianos which were seldom used. Pre-Covid when the Club hosted large functions, storage and moving the pianos was always an issue.

We retuned both pianos, retained one piano and donated the second piano to Hope & Light Christian Community Welfare in Sir Lowry's Pass Village. Many Erinvale members support Hope & Light as it helps poverty stricken children to achieve a better education. Each child accompanied from nursery school through to tertiary education.
